

The Alphabet: Bingo Cards

English Essentials

Bingo Cards: Follow the instructions to play bingo.

- Each student must have a bingo card.
 - You can print and cut out the bingo cards below or ask students to make them.
 - If students make their own, they must not repeat any letters on their card.
- Call out letters from the alphabet, one at a time.
- If a student has the letter on their card, they can cross it out.
- The first student to cross out a line of four (horizontal, vertical, or diagonal) shouts "Line!".
- The first student to cross out all the letters on their card and shout "Bingo!" wins.
